APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit to change the place of use of the waters of Maverick Springs as heretofore granted under Permit 3730, Certificate 1658, is issued subject to the terms and conditions imposed in said Permit 3730, Certificate 1658, and with the understanding that no other rights on the source will be affected by the change proposed herein. It is understood that the amount of water herein granted is only a temporary allowance and that the final amount obtained under this permit will be dependent upon the period of use and the average number of cattle served from the waters of this source. The State retains the right to regulate the use of the water herein granted at any and all times but does not take responsibility for the use of the Federal range.

The period of use of this permit is from April 1 to November 1 of each year.

This Permit does not extend the permittee the right of ingress and egress on public, private or corporate lands.

The issuance of this permit does not waive the requirements that the permit holder obtain other permits from State, Federal, and local agencies.

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.023 cubic feet per second, or sufficient water to water 300 head of cattle.

Work must be prosecuted with reasonable diligence and be completed on or before January 3, 1985

Proof of completion of work shall be filed before February 3, 1985

Application of water to beneficial use shall be made on or before January 3, 1987

Proof of the application of water to beneficial use shall be filed on or before February 3, 1987

Map in support of proof of beneficial use shall be filed on or before _____
